Subject: Your requests for access to documents of 21 October 2019

Our ref: 2019/150

Dear Sir/Madam,

Dear [REDACTED]

Thank you for your requests for access to documents, which the EEAS has examined in the framework of Regulation (EC) No 1049/2001¹.

Following your request, we have made a search in the EEAS filing systems, the document management databases and archives, but were unable to identify any document matching your request.

Please note that the EEAS as a body of the European Union which supports the High Representative does not have any operational role with regard to:

1. Transfer of personal data that would be processed in the context of surveillance, police, migration, biometric databases mentioned in the point 1 of your request.
2. Direct or indirect transfer of surveillance, cyber-surveillance, policing or border control equipment to third countries mentioned in the point 2 of your request
3. Trainings mentioned in the point 3 of your request that would mainly include the use of the above mentioned technologies or any related investigative techniques.
4. Financing related to the activities mentioned in the point 4 of your request.

The EEAS – which is an autonomous EU body distinct from CSDP missions or operations, separate from other institutions and distinct from agencies which may have an operational

¹ Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to European Parliament, Council and Commission documents (hereafter the "Regulation").

mandate – does not process personal data or carry out any operational activities in relation to the areas mentioned in your request.

Yours sincerely,
